

# FINDING FELLOWSHIP 2008

FRIDAY, OCTOBER 31 – SUNDAY, NOVEMBER 2

Join us for the 4th annual CMA mountain retreat held at Camp Meeker in Northern California. This three day event will provide a variety of recovery related activities including workshops, meditation, guest speakers, yoga, recreational activities, hiking and lots of fellowship.

Your registration fee covers almost everything you'll need for the weekend:

- 2 nights in a mountain lodge
- All meals, including a special Friday night BBQ
- Coffee, tea and refreshments throughout the weekend
- Recreational activities and entertainment, including a special Halloween event you won't want to miss!

All you'll need to bring is your own towel and toiletries. You're also allowed to bring registered service animals (sorry, no other pets allowed).

This year's retreat will be held at St. Dorothy's Rest at Camp Meeker. Easily accessible from the Bay Area, entering this peaceful place is like returning to a simpler, gentler time. Perched amidst redwood, fir and madrone trees on a hillside overlooking a valley, it is close to both the Russian River and the Pacific Ocean. The quaint old town of Occidental, with its shops, restaurants and historic buildings is just a mile away. Additional information including maps and directions at [www.stdorothysrest.org](http://www.stdorothysrest.org). Ride sharing will be available from the Bay Area.

Space is limited to only 80 guests, so registration will be handled on a first come, first serve basis. Don't delay as spaces filled up well before the closing date.

Limited partial scholarships are available through the Dan Collins Memorial Scholarship Fund. This scholarship is a financial need-based discount of one half, reducing your cost to \$80. If you need a partial scholarship, you must apply using this form no later than September 1, 2008. Scholarships will be awarded on a first-come, first-serve basis.

See you at the lodge!

## Registration Form
