Meeting Directory
SUMMER 2010

**Recovery
from addiction to meth
is
possible.**

CRYSTAL METH ANONYMOUS is a fellowship of people for whom drugs, particularly methamphetamines, have become a serious problem. The only requirement for membership is a desire to stop using. There are no dues or membership lists; each group is expected to be fully self-supporting through its own contributions.

The members of CRYSTAL METH ANONYMOUS meet regularly, share support and fellowship, and create a safe environment in which to stay clean.
